APPELLATE CASE NO. 2017-001777

MOTION FOR APPOINTMENT  
OF COUNSEL

Petitioner, Alonzo C. Jeter, III, comes respectfully and moves this court that it would appoint counsel whom would assist Petitioner in proceeding in this action. Petitioner would emphasize to this court that his circumstances within the SCDC has changed as he has begin to experience and be affected by many inequities and hardships caused by the SCDC's policies, retaliation, and unclear hands. Such things has caused a mental and physical drain on the Petitioner and has led to a decline in Petitioner's physical and mental health. Petitioner has experienced things such as placement in the SCDC's lock-up - restrictive housing unit, denial and blockage of access or meaningful access to the court, denial of access to legal files, denial of access to paper and envelopes for mailing and drafting pleadings to and with the court.
