Petitioner hereby moves pursuant to Rule 263(b), SCACR, for a 20-day extension of the time to serve and file his brief in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for Petitioner's brief is presently June 23, 2023.
2. Petitioner's counsel has a bench trial scheduled for June 21 and what will probably be a lengthy hearing scheduled for June 22.
3. Further, the petition for certiorari and reply to the return to that petition were written by a lawyer who is no longer with this firm and is no longer involved in this case, so Petitioner's counsel will need to spend more research and writing time to complete this brief than is typical.
4. Also, the undersigned will be out of town for a short vacation from June 24 through June 28.
5. The deadline for the brief in the instant case has never been extended before.
6. Petitioner believes there is good cause to grant the requested extension.
7. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Petitioner prays for a 20-day extension of the time to serve and file his brief in this case.

Respectfully submitted,

/s/ Andrew S. Radeker
