Re: MRI at Belfair v. SCDHEC  
Appellate Case No. 2021-000617

Dear Counsel:

The Court is currently preparing to consider this case. The General Assembly recently passed significant amendments to the State Certificate of Need and Health Facility Licensure Act. To aid in scheduling, we request that the parties confer and advise the Court within ten (10) days whether these amendments affect this litigation and, if so, how the parties propose the litigation should proceed. If the parties are able to reach an agreement, they may advise the Court of their position via a joint letter. If the parties do not agree on the appropriate course for the Court to take with the case, separate letters will be sufficient.

If the parties need additional time to confer, they are welcome to inform the Court of the length of additional time they believe they will need in order to confer and respond.

Very truly yours,
