Case # \_\_\_\_\_

Vs  
SC. Dept of Corr (SCDC)  
Respondent

MOTION: For Informa Paupris  
and for Counsel

\*\*\*\*\*

On appeal from the order of the administrative law court, Honorable; Robert Reibold, ALJD presiding.

Docket # 23-ALJ-04-0058-IJ

Grievance # BRCI-0105-23

**Facts**

I am an inmate in the (SCDC) at Broad River CI, and I do believe this case has merit, and I am below the poverty level, and cannot afford to pay the filing fee for the (NOA) or this Motion which is @ \$300.00. Futher I could not comply with nor have the resources to comply with filing requirements for briefs and records. I would be denied a remedie for state agency actions.

The grievance step 1 was timely filed, along with appeal to the (ALC) and answer to respondents motion to dismiss. An appendix was filed with my answer to summary dismissal.

Because of my poverty and status I request Counsel and Waiver of fees.

**Statement of Case**

The Step 1 grievance from the (SCDC) Coordinator (IGC) was marked Processed and returned, without allowing decision from warden, or step 2 appeal. Pursuant to SCDC policy GA 01.12(13.3) only if the grievance is marked UnProcessed dose a request to IGA, become an Exaustion Requirement. The (IGC) response "processing the grievance, was the final decision, and the (ALC) order denies a constitutional due process to administrative remedie, and the (SCDC) exceeded its statutory authority to enhance my sentence as a sex offence when the judicial branch did not find same. This is arbitrary, ans evidence is not substancial to support any orders appealed.

**Conclusion**

I respectfully submit, and request this court to; Grant informa paupris; Waive Filing fees; Appoint Counsel, [or] waive filing requirements for briefs and record on appeal. and cost.
