Re: State v. Rebecca A. Maxwell, Appellate Case No. 2022-000474

Dear Ms. Kitchings:

On today's date, copies of the initial brief of appellant, record on appeal, and sealed supplemental record on appeal are being filed with the Court in the above titled appeal. Please note that the sealed supplemental record contains sealed Ex Parte hearings, which by Order of this Court were unsealed for the benefit of transcription of the same by the court reporter in order to perfect meaningful appellate review in the case. Therefore, for the sake of consistency in the matter, said Ex Parte hearings have been included under the caption of sealed in a separate record (supplemental) on appeal. Also, the sealed supplemental record has been inspected for the presence of personal identifying and/or sensitive information.

I am available should any questions arise regarding the filing of the sealed supplemental record in the case.

Sincerely,

A handwritten signature in blue ink, appearing to read "Wanda H. Carter", is written over a printed name and title.

Wanda H. Carter  
Deputy Chief Appellate Defender
