Re: . George William Rauton, III v. Patsy R. Lightle
Appellate Case No. 2023-000541

Greetings,

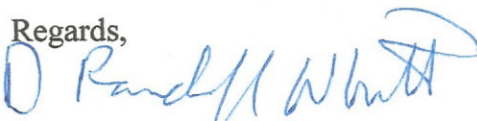

I have not received the transcript in this matter.

I provided the transcript request form to Court administration, and was advised of the transcript being assigned on May 8, 2023 to Penny Johnson. I heard from Ms. Johnson that day and responded agreeing to pay the \$85.00 she quoted for the transcript. I have paid this amount in advance of the transcript being completed.

I have copied opposing counsel on this email.

Thank you in advance for your consideration.

Regards,

D. Randolph Whitt
