v.

Mark Razzano and Carrie Razzano, Appellants.

Appellate Case No. 2022-001149

ORDER

On May 11, 2023, Respondents filed a motion that material designated by Respondents be included in a revised copy of the record on appeal to be prepared and submitted by Appellants. In the motion, Respondents stated that "prior correspondence with [this c]ourt" indicated that certain material designated by Respondents was not included in the record on appeal. On February 27, 2023, Respondents included this court on an email to Appellants stating "the photo showing the front door of the garage is not included nor is the transcript from the hearing before [Judge] Cooper." Both of these items were designated by Respondents, and Appellants did not file a motion to strike. Therefore, we order Appellants to file a supplemental record on appeal including the photo of the front door and the transcript of the hearing presided over by Judge Cooper. If necessary, Respondents may file and serve an amended final brief within twenty days of service of the supplemental record on appeal.
