The Honorable Jenny Abbott Kitchings
Clerk, South Carolina Court of Appeals
P.O. Box 11629
Columbia, SC 29211

RE: Robert Klomparens and Whitney Klomparens v. SCDHEC
Appellate Case No.: 2022-001641

Dear Ms. Kitchings:

Please allow this letter to serve as the Appellant's request for a 2-week extension of time to file Appellant's Initial Reply Brief and Supplemental Designation of Matter in the above-referenced matter. Currently, by my calculations, the Appellant's Initial Reply Brief and Supplemental Designation of Matter is due tomorrow (June 16, 2023). I have spoken with opposing counsel about some citation issues in their Respondents' Initial Brief related to SCACR 208(b)(4). My extension request is for 2 weeks after receipt of the Respondents' Initial Brief with their added citations I've requested. However, because I don't know when I will receive the Brief, I'm not sure how to present my extension request due date to the Court and would appreciate the Court's guidance. This is the Department's first extension request for the Appellant's Initial Reply Brief and Supplemental Designation of Matter. Opposing counsel consents to this extension. Thank you very much for your kind consideration.

Sincerely,

s/Bradley D. Churdar
