Ms. Kitchings:

Following up on our conversation this afternoon, attached please find two exhibits that I would like to put up on the big screen in the Courtroom during oral arguments. Both documents will be made part of the Record on Appeal in the above-referenced case. Just to be clear, the full survey drawing will be in the ROA, but this cropped section is the part the ALC focused on.

Next time I'm in Columbia, I would like to swing by the Court of Appeals to do a "dry run." I want to see how these documents appear on the large screen in the Courtroom and see how well a laser pointer shows up on the screen to assist with my oral argument.

I'll follow up with you prior to my next trip up to Columbia, to make definite plans. Thank you very much.

Brad
