MOTION TO EXTEND TRANSCRIPT ORDER DEADLINE

Appellant hereby motions for permission to order the transcript of the lower court hearing outside of the filing deadline set by Rule 207(a)(1) of the SCACR, requesting an extension of the deadline to at least one week after the date of this filing, June 23, 2023. Appellant is working a separate case (20234210102606) with the Respondent simultaneous to this one, in addition to multiple delays in ordering the transcript, given misleading information for ordering from the circuit court and, now an indefinite delay from the email addresses to order. No response has been received in three days since ordering. The attached correspondence reflects the attempted order of the transcript.

Respectfully submitted,

Correct, Judge Phillips was done by Webex. If you are needing transcripts from her hearings, you will contact court administration at [courttranscripts@sccourts.org](mailto:courttranscripts@sccourts.org). You will need to provide the Judge, case number and date of time of the hearing.

Thank you,  
Maribel

Maribel, can you assist?

transcript order ... (794KB)

Good afternoon,

I need to order the transcript for the Webex hearing for case 2023CP4201229 held on Monday, May 15, 2023 around 9:30-45 with Judge Shannon Phillips. The order form is attached. Please disregard the court reporter name, it was a Webex but I thought her name showed up next to Judge Phillips on the calendar.

I was told to contact the transcripts email address by a coordinator and then I noticed digital proceedings are requested from tholmes so I included both just in case.

Please let me know the cost and how to submit payment. Thanks!
