In the Court of  
Appeals

---

RECEIVED  
JUN 16 2023  
SC Court of Appeals

APPEAL FROM the Court of Common Pleas  
Calhoun County Hon. Judge Diane S.  
Goodstein

Case No. 2021-CP-09-00216

---

South Carolina Department of Public Safety, Respondent,

v.

Jerome Garcia,

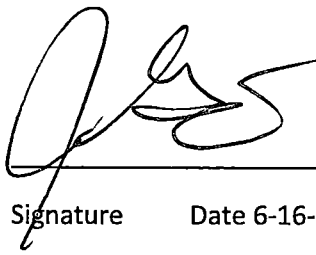

Appellant.

---

UNNECESSARY DELAY

---

1. This court of Appeals has unnecessarily delayed this case, and the Petitioner/appellant will put on the record for a Writ of Mandamus that this court is operating to rather protect fellow Judges Diane S. Goodstein and Jeffery Bloom and not the appellant who has been damaged by both, and including the appellants right for redress and appeal.
2. The transcripts provide all the facts needed to overturn an unconstitutional order, and I am now convinced the Court of Appeals is very much in business of infringement, and more worried about their fellow judge's immunity rather the created service by we the people to protect the Constitution and the Civil Rights of the people.
3. I expect an order for transcripts to be on the record as according to my right in 30 days, if not you are delaying, and I again must Writ the Supreme court and claim some type of incompetence know very well this is about the judiciary vs my rights, thanks again South Carolina, a chance to act unreasonable and against the long standing of Administering Justice...
