

# The South Carolina Court of Appeals

Joe Clemons, Appellant,

v.

Peggy H. Pinnell Agency, Inc., Peggy H. Pinnell  
Insurance Agency, Inc., State Farm Life Insurance  
Company, (jointly and severally liable), Respondents.

Appellate Case No. 2021-001183

---

## ORDER

---

Appellant has filed a motion requesting that this court issue a subpoena on South Carolina Court Administration to provide Appellant "the ASCII Disks" and unedited "E-mailed Transcripts or uncut/unedited Audio Recording" of a January 11, 2021 hearing and August 23 and 24, 2021 trial. On November 3, 2022, Appellant filed a motion seeking the same items, which this court fully considered and denied on December 13, 2022. Accordingly, we construe this motion as a request to rehear the denial of the November 3 motion. Pursuant to Rule 240(i) of the South Carolina Appellate Court Rules, this court "will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal." Accordingly, Appellant's motion is denied.<sup>1</sup>

<sup>1</sup> Additionally, it appears from past filings in this case that Appellant received the transcript from the court reporter on December 5, 2021, and nothing in Appellant's filings gives this court reason to believe there were discrepancies between the transcript and the audio of the proceedings, as Appellant alleges. Moreover, both parties have already filed their final briefs in this case, and the time for designating items for inclusion in the record on appeal has long passed. *See* Rule 210, SCACR.
