Tyler, I wanted to follow up on Mr. Weissenstein's letter below regarding additional copies needed. We (counsel for appellant and respondent) received the attached letter dated May 25, 2023 requesting the additional bound copies. On May 17, 2023 the Supreme Court issued the attached administrative order rescinding prior administrative orders related to foreclosure intervention. The rescinded orders are the central issue in this appeal, and if the May 17, 2023 order applies retroactively, then it impacts this appeal. Please let me know if this email is sufficient to address this point, or if a motion is required. Thank you.

Michael

Dear Tyler,

I have seen the letter dated May 25, 2023 asking for additional copies of the Record and of all Briefs. My assistant was on holiday for the long weekend and we are just seeing this today. I do not think that we can get about 1,800 pages copied, bound, and mailed to you within the ten day deadline and request an extension beyond that ten day deadline. Please let me hear from you soon.

Yours very truly,

A. Paul Weissenstein, Jr.
