SC Court of Appeals
Dear Miss Honorable Clerk,

I am personally requesting your court to allow my rights for self representation.
AS per your last letter DATED May 02, 2023, saying that
I am represented by counsel in this matter. No action will
be taken, but since, I have requested the removal of
this counsel Mr Jared S. Newman, from the case as the
Head Counsel and requested from Attorney Clerk Disiplinary
Counsel that this counsel be remove as my head counsel
and allow me to proceed as my own head counsel, and
allow him to stay on as my asst. to counsel, because he has
shown by his failure file proper motions, which could
have had this case dismissed for ~~the~~ excessive delays
but never tried in 5 years since a hug jury and allow
the prosecutors and the judge to violate my state
and constitutional rights without arguement,
which is why I have requested this attorney be
removed from head attorney in this case action,
because he was EN effective counsel. so
as pro-se counsel I am requesting that this
filed action by me Thomas L Davis as pro-se in
self representation of my own case action
be given in your honorable court for Denied,
where as I shall go to an even higher court,
due to your court's misfease and neglect
of public duties, because this attorney has
conspired to hold me back from being released
because of a lawsuit, which also why, since my
unlawful time, erroneously given in this case
is less than 30 days a writ of Release should
be granted, because the state knew the warrant
for my arrest was illegally obtain, I am entitled
to a fair hearing date, with my Eyewitnesses
and Evidence to reverse this verdict, on my
OWN. I am sure this attorney may not represent me,
So please Grant or Deny this case
because it's a conspiracy going on,
