SC Court of Appeals

Case No. 2022-001400

State of South Carolina,

Respondent,

-v.

Xayvion Marquis Hill

Appellant.

Petition for Extension of Time to File and Serve Appellant's Initial Brief and Designation of Matter

Appellant Xayvion Hill petitions this Court for an order extending the time to file his initial brief and designation of matter to be included in the record of appeal. These items are currently due June 12, 2023. Appellant requests that this deadline be extended to July 12, 2023. This is the third request for an extension of time in this case and is made because the transcript in this matter is 1,201 pages. Further, Appellant's counsel has been involved in preparing a brief in Lockett v. Barnyard Flea Market (Case No. 2022-001649) and trials and hearings in circuit court, family court, and magistrate court. Appellant is making this request in good faith and not intending it for delay and does not expect any further requests for extension.

Appellant, therefore, requests a thirty-day extension to serve and file his initial brief and designation of matter in this case.

IT IS SO MOVED

Respectfully Submitted,
