Please see attached for filing Respondent's Initial Brief in Appellate Case No. 2022-001641. Respondent timely filed on June 6, but was contacted by Appellant's counsel Brad Churdar, who expressed concern that there were insufficient citations in the Initial Brief to support the arguments (transcript citations.) Upon agreement of counsel, the undersigned addressed Mr. Churdar's concerns, as Mr. Churdar provided page and line citations to those portions of the Initial Brief where more record cites were requested. The resulting corrected Initial Brief is attached for filing.
