Good afternoon.

I have sent your transcript request to Steve LeBlanc for production. I am sure that he will have to get permission from the Judge since you are not a party to the action.

Thank you,  
Court Reporter Section

Good morning,

My name is Beth Braden; I'm a researcher with LunaShark Media. I am compiling information on a case out of Richland County - State v. Kenneth Gleaton; it's a murder and arson with the case numbers as follows:

- 18-GS-40-1418
- 18-GS-40-1419
- 19-GS-40-4077
- 19-GS-40-4079

The trial took place Oct. 29-Nov. 1, 2019 in Richland County, in front of Judge L. Casey Manning. The court reporter was Steven LeBlanc.

After looking through appellate court filings, I see that audio from the trial was ordered to be preserved. I am requesting a copy of that audio file.

Please let me know any cost associated with this request or if I need to format my request in a

different way.

Sincerely,

Beth Braden
