Appellate Case No.2022-001810

MOTION TO RECALL REMITTITUR

To The South Carolina Court of Appeals: We, Bernadette Brown and Darrell Brown, Appellant, respectfully request this court for an order recalling the remittitur and permitting us to reinstate our appeal in this case.

This motion is based on Appellants and Clerk of Court having miscommunications on requests for documents being turned in to the office upon request in a timely matter. We, Appellants, forwarded all documents upon requests. Please allow us to move forward with our appeal. Thanks in advance.

Respectfully Submitted
