Re: Ronald C. Albright, #211533 v. SCDPPPS
Appellate Case No. 2023-000847

Dear Mr. Albright:

The Court received your letter inquiring about your appellant's initial brief. We accepted your appellant's initial brief as filed, then sent a deficiency letter indicating you had not filed a designation of matter. We received your designation of matter; however, the respondent has filed a motion to strike your designation of matter. You may file a return in opposition to the respondent's motion within 10 days of the date of this letter. The appeal will be held in abeyance pending a ruling of the Court on the respondent's motion.

Very truly yours,
