Dear Honorable Jenny Abbott Kitchings:

The Appellant realized today that Case No.: 2023-000512 and Case No: 2021-000318 the same case the Appellant has been paying to have the same individuals served twice and has been twice the filing fees for the same case. I realized now that case matter ending 000512 was done after the SCWCC rendered their 02/14/2023 decision. The case matter ending in 000318, the Appellant was requesting for intervention on the part of the Court of Appeals; to assist in protecting the Appellant. I understand now, I apologize for any inconvenience. The Appellant wishes to consolidate the cases; if possible. Enclosed is the Appellant's request to the Supreme Court. The Appellant wishes the case, not to return to the lower court, if possible. Enclosed is the Appellant's Appeal to the Supreme Court. If the Appeal Court require any additional information, please feel free to reach me at this email address.

Sincerely,

Alicia Ruffin
