RE: ACCESS TO THE COURTS IS BEING DENIED

To whom it may concern:

I Harold Dytton the petitioner respectfully contends that i am a layman of the law, and i am entitled to my procedural due process under the 5th, 6th and 14th amend. I have filed an appeal the best way i know how. (See attachment). and the state is showing prejudice from not honoring petitioner's direct appeal that was file within that 10 days that required by the laws of this state. My access to the courts is being denied in which is fundamentally unfair and shocking to the universal sense of justice.

May you please check into this and get back with me.

With kindest regards

Sincerely

Harold Dytton
