RE:

The Supreme Court of South Carolina

Enclosed is the Pro Se,
Please make a copy of everything
enclosed and return to me.

This is to assure me that you
received everything and the Scdc
staff members that are violating
my Human rights by torturing
me because of my PCR case and
my spine damage. They are
also committing fraud on the
Court!

I want to make sure there is
no material alteration.

Please post Pro se on internet
