I hope this message finds the correct office as I have not fully understood how to file these documents! I Alfrita Dukes was served ejection notice from court date May 30, 2023. I immediately filed an appeal, as I'm a mental health patient, diagnosed with Clinical Depression, anxiety disorder in which I was at the hospital for during this last week and Sycotic features. I am requesting to stay in my home. The Judges name is Judge Hayes. I the tenant agree that I will pay the rent of \$193.00 every month to Connecticut Village Apts until this matter is settled in the court of appeals. Sincerely

E- Alfrita Dukes
