Dear Ms. Holmes,

I am the pro se plaintiff in Lexington County Circuit Court Case No. 2023-cp-32-00091 (Gallipeau v. McCabe and Smith). A hearing was held on April 24, 2023 (defendants' motion to dismiss) before the Honorable William P. Keesley via Webex. I was under the impression that there is no transcript of that proceeding. However, attorney Kellahan (representing respondents) has informed the Court of Appeals that my statement ("no transcript exists") is incorrect. Accordingly, I am asking you to inquire into whether a transcript is or is not available and if it is available, what is the procedure and cost for obtaining a copy of the transcript?

Thank you,  
Dennis Gallipeau
