I Joe Clemons, am responding to this letter of May 8, 2023, regarding the transcripts in this matter. As I have stated before, the transcripts that are needed for everyone to get a good and clear understanding of what has happened and what is going on in this case right now. The transcripts that are needed is the one of 1-11-2021, is the one where Judge Roger Young granted me the right (in that hearing of 1-11-2021 case # 2019-CP-08-00424)to add Home Telcom to the lawsuit that I have with Peggy Pinnell and State Farm Life Co. Wherein the order of Judge Young was change by the lawyer for Peggy Pinnell and State Fram (Charle Norris) or the law clerk of Judge Young (Michael Monastra) who both have stated that Judge Young did not grant me that order "stating that I can add Home Telcom to that lawsuit". But, I and my wife were there and we heard what The Judge stated. Also, the transcript of 7-18-2022, case # 2021-CP-08-02709 where the lawyer of case #2022-CP-08-02427 states that he was present at that hearing, and he was not. The last transcript that is needed is the one of 1- 31- 2023, which is the one that I'm appealing case # 2022- CP-08-02427. I have been trying to get these transcripts from the Court Of Administration, getting these transcripts from the Court Of Administration seems impossible for me to get,

but the real Question Is WHY. Thank you, please let me know if their anything else I need.

Per Our Conversation, I'm writing this letter to the Court Of Appeals to inform them of the fact that the last case that I filed against my landline phone provider, case # 2022-CP-08-02427 which I need my accurate, unedited, uncut transcript (because the one that I have from my other case have been altered tremendously) to send into The Appeal Court, so we can start the process getting my initial brief in. Ms. Kitchings, Mr. Clark, and anyone else that can look into why The Court Of Administration will not give me my requested transcripts that I have been begging and requesting them to get. They also have all of my numbers blocked, and they will not respond to my e-mails or voicemails, so I'm asking and requesting this Court Of Appeals to look into this and do something. the court reporter Ms. Green will not respond to me anymore, because I asked her will I get the accurate unedited transcripts.
