

# The South Carolina Court of Appeals

The State, Respondent,

v.

Julian Young, Appellant.

Appellate Case No. 2012-213006

---

## ORDER

---

The appellant requests the Court hold in abeyance the time to file the initial brief of appellant and designation of matter, after requesting and receiving a fourth extension of time to do the same. Upon granting the appellant's fourth request, the Court indicated that no further extensions would be granted absent a showing of extraordinary circumstances. The initial brief of appellant and designation of matter are due to be filed with the Court today. The appellant asserts that there are court's exhibits from trial that are not available to the Orangeburg County Clerk of Court. The Court will hold this appeal in abeyance for ten days to allow the appellant to inquire about the exhibits. The appellant must provide this court with a status update within eight days if further extension or stay is to be requested.
