

# The South Carolina Court of Appeals

Robert Klomparens and Whitney Klomparens,  
Respondents,

v.

South Carolina Department of Health and Environmental  
Control, Appellant.

Appellate Case No. 2022-001641

---

## ORDER

---

On June 16, 2023, Appellant filed a motion to hold in abeyance Appellant's deadline for filing the initial reply brief because Appellant requested Respondents amend their initial brief. Contemporaneously, Appellant requested a two-week extension of time beginning upon receipt of Respondents' amended initial brief to file its initial reply brief. On June 26, 2023, Respondent filed an amended initial brief; but without an accompanying motion requesting leave to submit an amended brief or paying the required filing fee. The amended Respondents' brief is conditionally accepted, but Respondents must file a motion and pay the filing fee within ten days of the date of this order. This court will consider Appellant's motions after considering any motion filed by Respondent concerning their amended initial brief.
