We have not received it. The only information I have is what the court reporter said in her email to us. Do we need to tell her your Court hasn't received her request? Or is that something your office handles? Thank you for the help!

Good morning,

We received the below email from the court reporter yesterday. Do you have an extension request from her as she stated in her email?

Good morning, Ms. Falvey. I apologize that I haven't been able to get the Rajshun Foster transcript to you sooner. I received a lot of transcript orders at the same time during second quarter, so I'm trying to play catch-up. I submitted an extension request for this transcript over a week ago, so I'm not sure why they didn't get in contact with you. I should be able to get this transcript to you by this weekend. Please let me know if you have any questions.

Sincerely,

Amber Payne, CVR
