RE: Appellate case 2023-000603
Appellate case 2015-002191

In South Carolina Court of Appeals

RECEIVED

Letter and Request JUL 13 2023

SC Court of Appeals

Dear Jenny A. Kitchings, clerk of S.C. Court of Appeals.

I am requesting information on the status of my cases in the S.C. Court of Appeals.

What is the status of the Appeal in reference to The Honorable Judge Ralph King Anderson III Judgment of case 2022 16504 0297

- AP. under Appellate case no. 2023-000603? I sent to you a sworn affidavit of indigency to proceed without cost.

once I received your May 15, 2023 order dismissing my appeal because I did not provide notice of appeal filing fee as required by SCACR 203. I also sent you a letter

arguing that you do not have authority to make judicial decisions and that your dismissal of my appeal due to deficiencies, is unconstitutional in violation of S.C.

Const. article 1 section 8 Separation of powers. I don't know what your response was. Did you file my appeal

in reference to Appellate Case 2023-000603; and what is my procedural next step? Do I need to file an

initial Brief? if I do, how much time do I have to file my initial Brief? In reference to Appellate Case

2015-002191 How is it that you've made a judicial decision to issue an order to deny my

Petition for a Writ of Certiorari: violating S.C Const article 1 section 8 separation of Powers. you a clerk with administrative duty to file documents not make judicial decision according to law. Please reinstate Appellate case no. 2015-062191.

I also filed a petition with the S.C. Court of Appeals, dealing with fraud upon the court of Appeals by assistant Attorney General William M. Blitch Jr, in his expedited Motion to recall the remittitur filed in S.C. Court of Appeals. In which S.C. Court of Appeals granted Assistant attorney General William M. Blitch Jr. expedited motion to recall the remittitur, that contained knowingly false statement of facts. In which S.C. Court of Appeals Judges granted that expedited Motion to recall the remittitur based on those false statement of facts. (Extrinsic fraud). Plus I argued that once the remittitur was sent, the S.C. court of Appeals lacked subject matter jurisdiction to entertain assistant attorney general William M Blitch Jr expedited Motion to recall the remittitur and issue and order recalling the remittitur once the remittitur had properly been sent to the lower court. What did you do with my filings in reference to that argument of fraud upon the court and lack of subject matter jurisdiction? In which there is no statute

of limitation and can be raised at anytime. I even wrote the Appellate Court Judges. The clerks of S.C. Court of Appeals shouldn't have accepted assistant attorney general William M. Blichter Jr. expedited motion to recall the remittitur.

This is why I request a returned filed copy of everything I mail to S.C. Court of Appeals, as correspondents proof that my documents have been received by the S.C. Court of Appeal office of the clerk of Court and filed.

Please send me a filed copy of everything I've mailed to the S.C. Court of Appeals in reference to Appellate case 2023-000603 and was received and filed upon my filing of Notice of Appeal.

I am further requesting to some pertaining to Appellate case 2020-001421 because otherwise I have no idea legally and factually what has been received and filed. I need to have a copy of what I have already filed in reference to this appellate case 2020-001421 and what the state has filed, so I want make duplicate filings.

Thank You.
