Re: South Carolina Technical College System v. Carla Jackson
Appellate Case No.: 2020-001689

Dear Ms. Kitchings:

I am in receipt of preliminary notice of oral argument for the November 2023 term of court with regard to the four above referenced appeal.

I have a pre-scheduled vacation to Japan from Friday, November 10, 2023 – Sunday, November 19, 2023. As such I would request that arguments not be scheduled on November 9-16, 2023. I will be in South Carolina on November 9, 2023, but the day before going to Asia is going to be extremely hectic and I respectfully request not to have the oral argument on that date. I have tried to log that vacation into the AIS system (for formal protection of those dates), but the website keeps error messaging. I will attempt it again on a later date.

I do not have any known conflicts with the remainder of the proposed argument dates. Please advise if you have any questions. Thank you for your consideration of this request.

Sincerely,

Shannon Polvi

Re: SC Technical College System v. Carla Jackson
Appellate Case No. 2020-001689

Dear Counsel:

The above case appeared on an earlier preliminary list, but was not placed on a roster. The matter may be scheduled for the November 2023 term of court. If this case is selected for oral argument, the Court will hold arguments on November 6, 7, 8, 9, 14, 15, or 16. If you have a scheduling conflict with any of these dates, please advise the Court of the specific nature of that conflict by July 24, 2023.

Also, please note that the Court may determine after further review that the case will be submitted without conducting an argument. If the Court makes this determination, you will be notified in writing.

Very truly yours,
