

The South Carolina Court of Appeals

In the Matter of: The Estate of Juleanne Judy Bryan

Margaret Elaine Chapman, Appellant,

v.

Grady W. DuBose, Wilson Wade Judy and Marvin Lee
Judy, III, Respondents.

Appellate Case No. 2023-000751

ORDER

Respondents' motion to dismiss is denied. The circuit court's finding that it lacked jurisdiction to hear Appellant's appeal from the probate court does not divest this court of appellate jurisdiction. Appellant properly served and filed her notice of appeal with this court, and the merits of this appeal will be decided following final briefing.
