Dear Court of Appeals,

Please see the respondents complaint. The court of appeals email address was not included in the submission and there is no date on the letter. Please be sure to examine the correspondence I feel the date it was signed is very important. There is great concern to why the defendant did not send the letter through the normal correspondence methods to make sure the document is not backdated in the file. It would not be possible to tell how late the submission is. The defendant also submitted this submission signed as the attorney for the Plaintiff and not the attorney for the defendant. Mr Corbett is not representing the plaintiff but he is the attorney for the defendant. This is a prime example of my concern. Please see the letter.

Thank You,

Joe Adams

Hello Court of appeals,

I received this letter but I do not see that the court of appeals was copied. Can you please explain who Mrs Orr is and why this was not sent to the court of appeals like we usually do? I didn't want to miss any information on this I don't see the submission and I didn't get any email from the court the response was filed.

Thank You,

Joe Adams
