Appellate Case No. 2022-000352

ORDER

On August 11, 2022, this court denied Appellants' petition for writ of supersedeas. On September 13, 2022, a three-judge panel of this court denied Appellants' petition for rehearing concerning the denial of the petition for writ of supersedeas. The parties notified the court that they have resolved all issues raised in the appeal on April 25, 2023. Pursuant to their settlement agreement, the parties filed a consent motion asking this court to (1) dismiss the appeal, (2) order each party to bear its own attorney's fees and costs, and (3) vacate the two prior orders issued by this court regarding Appellant's request for a writ of supersedeas. We grant the motion. The appeal is hereby dismissed, each party shall bear its own attorney's fees and costs, and the two prior orders are vacated.
