To whom it may concern,

I Dakita Singleton would like to withdraw the appeal that I submitted today July 21, 2023. Due to being provided with the wrong process of how appeals regarding evictions are done. I am requesting a refund as I can not afford to lose any money especially since filing this appeal was done in error and will not help my situation. I can be reached at 803-586-7886.

Thank you for your time
Dakita Singleton
