RE: Sadie King v. Dennis Allen
Appellate Case No.: 2023-001056

Dear Ms. Kitchings:

Please find attached the Appellant's Second Amended Notice of Appeal in an attempt to correct the prior Amended Notice of Appeal. The lower court case uses "et al." in the caption and has done so through the pending of this matter. Due to the fact that this matter has been since 2009, the parties have changed due to the death of certain individuals and as a result the caption has changed as well. I believe the current caption as amended identifies all of the current parties and is an earnest attempt to comport with the Rule 267(a), SCACR. Please let me know if there are any further questions or concerns.

Sincerely,

Tiffany J. Lumpkin
