Emergency Motion

My name is Lashay Clayd
I'm 28 years of age and
have two kids. 2, and 10
years of age. Today I'm submitting
a appeal and emergency to stay.
When the Eviction was first filed,
the landlord stated I was behind
three months. I went to Palmetto
CAP, to get assistance with my
rent. Palmetto CAP was assisting
to pay \$1500.00. Employee
from Palmetto CAP called Misty
Walker to apply funds. Misty Walker
denied funds. I had to file a Bond
to stay and the amount was 1550.00
to pay by July 18, 2023. I set up
another appointment with Palmetto
Cap, and the director denied the
appointment due to limited funds.
So within the five days from the
court date July 13 2023, I was
trying to come up with all of it.
One Church gave me 500.00 and
another 250.00. Misty Walker
explained that all the 1550.00
has to be paid all one time. So
I had to return all monies to the church..

The Owner and I can come to an agreement in the amount of \$18,000.00. The owner has 40 lots on this property. Just (1) Mobile Home Lot will make 18,600 12 months. The owner can present a cashier check in the amount of 18,000.00. 48 hours I'll volunteer to leave. Just a reminder the landlord denied the 1,550.00, that caused more emotional stress. "Once the bond to stay hearing was over, I returned home I called Palmetto Community Action. I spoke with Ms. White & the Director. The Director said she would call me back she didn't. I called the Director over 15 times "No Answer" My blood sugar number went over into 400. This whole
