Doug –

Attached to this message you'll find a Microsoft Excel file in which back pay calculations appear for each of the current and former inmates who are litigants in the matter styled as *Ackerman, et al. v. S.C. Dep't of Corr.*

Back pay calculations for Fred Gatewood appear within the attached Excel file. As you know, Mr. Gatewood separately litigated the "merits" of his prison industries back pay claim, and his matter is styled as *Gatewood v. S.C. Dep't of Corr.*

A separate "sheet" has been prepared for each of the current and former inmates in *Ackerman*, including Mr. Gatewood. A "tab" for each sheet appears at the bottom of the Excel program's display. The sheets for each of the current and former inmates appear alphabetically from left to right at the bottom of the Excel program's display.

The very first sheet that should appear when you open the Excel file consists of the "template" for each of the other sheets, and the "net total" back pay figure appears in the bottom left corner of the very first sheet.

You should experience no difficulty in transferring or copying the attached Excel file onto a USB-compatible "flash drive" or onto a CD or DVD-ROM.

As I told you during one of our most recent telephone conversations, the back pay calculations and associated totals appearing in the attached Excel file are for settlement and mediation purposes only.

I look forward to our discussions regarding the data and calculations that appear in the attached Excel file once you've had the opportunity to review them. In the meantime, please call me if you have any difficulty in opening the attached Excel file.

Take care,

Lake
