Re: Status Update – Aracely Sanchez vs. Vanessa M. Sumpter  
Appellate Case No. 2023-000044

Dear Catherine:

We received report from the court reporter assigned Mrs. Shirley Gerrald (attached) that a recording of arguments on October 13, 2020 either (a) were corrupt, or (b) did not record. I have asked effective yesterday that the court reporter confirm the computer IT for the Master in Equity court was able to recover, and if not we are prepared to proceed with filing of the Initial Brief with what we have of record.

I am asking by way of motion for an extension of 15 days so that the court reporter can check. Frankly, we expect the proceedings were inadvertently not recorded. However, as this part of the case and transcript went to ejectment proceedings, I would request (and have requested) that there is no way this transcript is to be produced.

We did receive all other transcripts requested of the first and second hearings in the case, and are in possession of same. Opposing counsel Mr. Roper and I have discussed this prior to my sending the attached motion and this update.

I would ask the court assign the date for Initial Briefs given the above and will await reply of the same. Thank you.

With regards, I am

Sincerely,

  
J. Cameron Halford  
Attorney for Appellant
