RE: my case Appellate Case Number 2023-060242

Dear Mr. Dudek;

Happy Greetings, I Apologized ~~for~~ the Court For Any Misinterpretation in not having confidence in the Attorney that the Court Appoints to represent me. On October 25, 2016 Judge Barber SPECIFICALLY "writes" in his order that that Attorney bring me back before him AFTER he had visit me. that never happened. the Attorney the court appointed me was employed with ~~Barber~~ Barney Giese LAW Firm., the same person who indicted me.

The second thing, when the public entered my name Terrance Adams into A Computer, An improper lengthy Criminal history Pop up. OF course, when people's see that they automatically judge me guilty. I had never my rights to deny or proffered evidence to proved my innocence. It's A FACT I did not Pled or Confess to Any so called Burglaries. Therefore, PCR Judge Benjamin -error in dismissing my Application After Solicitor Sampson and Custodian OF Evidence testimony that there is no element, no witnesses, or person that testified to this Fact in S.C. Code Ann §16-11-311(A)?

I call you my God. The God Who Promises to never leave or Forsake us (Hebrew 13:5) is the one we trust with our lives every day. Will you answer me please, turn your ear to hear My Prayer.

Thank you.

Terrance Adams
