Legal Aid proband I'm hearing  
something they know I wasn't  
properly served but unwilling to  
help I request an appointed  
attorney be appointed for me  
this is not a case I should appear  
before with out attorney. I would  
also request a member of your  
court to be at hearing to make  
sure I'm treated fairly because  
I told them early on I never receive  
any papers found out after sale  
then they told me my daughter  
signed for it I should have been told  
by them - if I didn't receive it  
what I could have done but  
I wasn't was told by a lawyer  
that I should have been told about  
appeal time for that letter but  
I wasn't. daughter never showed  
letter I was unable to work  
cause my wife stroke I tried  
for forebearance before home  
sale and was denied. I would  
like to request my KASSIE ~~will~~  
william

her # is 893-708-0883  
She works with a group called  
the harvest group helping people  
in my situation. She personally  
came to my home and asked if I  
knew about foreclosure. I told  
her I did not. She called my  
mortgage Co. before sale and asked  
for sale to be postponed or  
let me get a forbearance. Was  
denied. She said she never heard  
them do that to someone in  
my position. I'm in this situation  
because my wife had a stroke and  
I was unable to work. Insurance  
didn't cover home health. My  
wife is disabled. Still I would  
have never let this happen and  
not filed bankrupt had I known  
about the sale and jeopardize  
my wife's security. Doing these  
difficult times and her condition  
and money in suppose to be  
paying the courts. We applied  
for the veterans eviction.

agency to help me with that For im in the process of putting my wife in a assisted living facility so i can get back to work. but back to lawyer i tried every agency i could wasnt qualified for legal aid or pro bono. so i request the courts to help with or appoint me a appellant attorney
