Motion

SC Court of Appeals

in Christopher L Gadsden in
Filing a motion for not
being properly served on home
foreclosure sale paper was given
to daughter who doesn't live with
me never saw the paper i don't
know if they explained to her
what it was she was accepting
and i can prove she wasn't living
with me at the time or now person
has to live in residence. also
lawyer representing mortgage co
just sent letter not certified
or anything for something this
important i should have notified
properly. would also like
to put in motion that after
all this time have been unable
to find attorney to represent me
we done every thing i can do
