To whom may concern, my name is ^{SC Court of Appeals} ~~Quetta~~
Tenrette my appellate case No is 2021-001108. I'm
writing to inquire about my pro se brief I filed
my brief over a 1 1/2 ago. I'm not rushing anyone
I understand courts be backed up but I'm
wondering what's taking so long to get the matter
cleared up concerning my case when it's clear I'm
innocent. I was wrong fully charged for murder in
2018 in Horry County, I turned myself in to prove my
innocence. I sat in the county for almost 5 years
before I got a trial even though I requested mult. times
for a speedy trial when I got to this state from NC
but I was denied my constitutional right. I went
to trial in was found innocent of murder but the
jury found me guilty of involuntary manslaughter off
of false testimony by a suppose to be eye witness
which the evidence shows in prove that the
testimony was a blantant lie just to get me convicte
I don't understand why my case hasn't been overturn
yet in my appellate pro se brief case No 2021-

001108

Case No. 12-10000-2

Issue No. 100

The Court of Appeals has the authority to reverse or affirm my case which is stated in Code 1976 § 18-9-270 Judgment of Supreme Court or Court of Appeals. They say I'm waiting on y'all to decide if my case go up for oral argument or to reverse or affirm. Rule 215, SCACR submission without oral argument stat's that the appellate court may decide my case without oral argument if it determines that oral argument would not aid the court in resolving the issues. Which by facts an not my opinion the evidence presented in my case is a clear issue for my case to be reversed or overturned, because I'm imprisoned off of false testimony of a suppose to be eye witness who say's she seen me shoot her cousin in head on porch of their house while we was supposedly tussling but whom ever did this crime kill victim in his yard, which wasn't me that's why they went thru length's of lying to get me wrong fully convicted
