To whom thus may concern, SC Court of Appeals

First off by stating that SCDC, here at Lieber C.I. didn't give me law library time. I sent an electronic request dated back June 28, 2023, still to this day I'm not on the law library list. I'm pretty sure the law library clerk would vouch for this matter, plus S.C.D.C. got records of me putting in for law library time. Didn't have enough time to understand the assignment. But I would like to reserve my appeal rights. I also understand Mr. David Alexander wish not to represent me! My family seeking for private lawyer representation to represent me on the appeal, if that's fine by the courts.

I didn't get enough time to argue the Anders v. California. PLEASE NEED AN EXTENSION? SCDC / Lieber
Could violating my due process? - Leonard Mickens
