Petition for Rehearing on Order dated: 7/31/2023

Appellant pleads with this Honorable Court to reconsider it's above referenced Order dismissing the Appeal for not being able to afford the \$250 filing fee due to his incarceration and financial status. Appellant has never abused the Indigent Status and has zero strikes against him for frivolous litigations. Dismissing the Appeal for this reason, as stated in the Order, when Appellant motioned this Court as to his indigent status and to proceed In Forma Pauperis, is unfair and contrary to both State and U.S. Constitutional provisions of access to the Courts and redress of grievances despite one's race, religion, or financial status. U.S.C.A. Amend. 1, 5, 6,14, and 15. "Equal Protection"

~~Appellate Case No. 2023-000847~~

ORDER

Appellant's response to Respondent's motion to strike was received and considered by this court. However, Appellant's petition for reconsideration of this court's July 3, 2023 order is denied. *See* Rule 240(i), SCACR ("The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal."). Additionally, Appellant is not entitled to proceed without costs and Appellant has failed to pay the \$250 filing fee for the notice of appeal; accordingly, this appeal is dismissed. The remittitur will be sent as required by Rule 221(b), SCACR.
