Re: Randall Price v. Greenville County Sheriff's Office  
Appellate Case No. 2023-000061

Dear Madam Clerk,

We write to inform the Court that Respondent has been served with a document entitled "Appellant's Final Brief," but has not been served with the Record on Appeal – Appellant, instead, served our office with a document purporting to be the Record on Appeal, but which included only a title page and table of contents, without any accompanying record. We note this, despite Appellant's inclusion of a certificate of service with his court filing purporting to represent that Respondent's Counsel was served.

Thank you for your attention in this matter.

With kindest regards, we remain,

Very Truly Yours,

**WILLSON JONES CARTER & BAXLEY, P.A.**
