

The Supreme Court of South Carolina

Robert William Wazney, Petitioner,

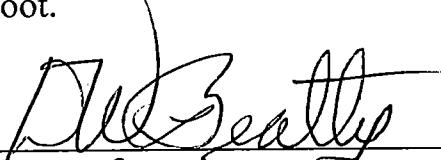

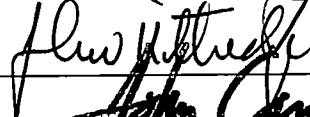

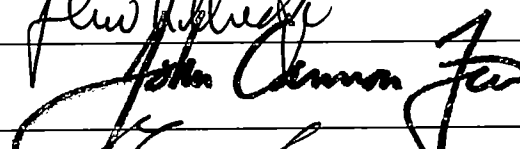

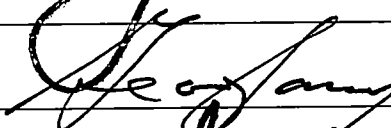

v.

State of South Carolina, Respondent.

Appellate Case No. 2022-001443

ORDER

Following the dismissal of his appeal in this matter, Petitioner has filed a petition for rehearing, a motion to reinstate, and a request for extra time in which to file his initial brief. We deny the petition for rehearing and the motion to reinstate as Petitioner has not shown any points overlooked or misapprehended by this Court or good cause for reinstatement. *See* Rule 221(a), SCACR (providing a petition for reinstatement must state with particularity the points supposed to have been overlooked or misapprehended by the appellate court); Rule 250(a), SCACR (providing a case shall not be reinstated absent a showing of good cause). Because this matter was properly dismissed, Petitioner's request for additional time in which to file his initial brief is denied as moot.
