SC Court of Appeals

Good afternoon:

I am looking to see who the court reporter was for trial in the above matter. The trial was February 22, 2022, and the parties are Carol Jenkins Jackson et al v. Michael F. Rivers, et al. I have looked online and it appears to be Loraine Victoria. We may need a copy of this transcript in the near future and wanted to get an idea of when we can get it and what the approximate cost will be.

Any assistance you can give me would be greatly appreciated.
