Petition For Rehearing

Bobby Joe Fulton Jr Appellant

Here comes the Appellant Bobby Joe Fulton Jr. pursuant to S.C. R. App. P. rule 221 asking for the rehearing of the instant case for essential reasons. Appellant states that due to the fact that he is a prose inmate and convicted on December 7th of 2022 of Criminal Charges, and sentenced to "Life", he was never taken to the Jail to receive his legal work, neither was he ever given the "Order of Judgement" of his case; Moreover the Appellant filed for his appeal, and his mail was obstructed by S.C.D.C. Furthermore the Appellant was going through Classification within Wickham or R&E Center, and was moved several times, which cost him time, which was needed for properly filing motions for Transcript and "Initial Brief" for the instant case. Due to the fact that Appellants request for Transcript was denied, which also was the cause for the dismissal of his appeal, the Appellants "Initial Brief" was never heard, Appellant prays for the Court of Appeals to grant his request for rehearing due to these essential facts alone, and S.C.D.C. failure to allow the Appellant access to the law library.

v.

Bobby Joe Fulton Jr Appellant

CIA No. 2022-001802

Appellant's
Initial Brief

Here comes the Appellant Bobby Joe Fulton Jr Pursuant to S.C. R. App. P. rule 208 filing this Initial Brief before this Honorable Court.

I. Statement of Issues

The Appellant state prisoner proceeding pro se filed for a appeal before this Honorable Court seeking to have his Criminal convictions annulled, and sentence repealed due to Constitutional deprivations of his rights by Respondent State Prosecutor. Appellant states that he was deprived of his 6th Amendment rights of "Fair trial" hearing, and his Fourteenth Amendment rights of equal protection and due process. Therefore it is so prayed for by the Appellant of this Courts Appellate review over his State Criminal Case, which was adjudicated within the Williamsburg County General Sessions Courts.

II. Statement of Case

(a) Facts of Case,

1) On December 29th 2020 Appellant Bobby Joe Fatten Jr was charged and arrested for two counts of "unlawful neglect" of two minor siblings "Tyquan McFadden" and "Tianna McFadden". See State v. Bobby Joe Fatten Jr 2021-GS-45-85 (2022); Warrant #s 2020A4510100574 & 2020A4510100585. On February 5th 2021 Appellant was later additionally charged for "Homicide by child abuse, for the death of child victim Treven McFadden. See State v. Bobby Joe Fatten Jr 2021-GS-45-85 (2022); Warrant # 2021A4510100045. On December 7th 2022 Appellant was found guilty and sentence to life in prison after subsequent trial hearing within General Sessions Courts of Williamsburg County Trial Judicial Circuit. Thus Appellant has filed for an appeal of his sentence before the South Carolina Court of Appeals seeking for relief of his conviction and sentence of life with the Department of Corrections.

III. Standard of Review

(a) Right To Appeal,

1) Rule 201 asserts Appeal may be taken as provided by law, from any final judgement, Appealable Order or decision. The procedure for petitioning for writ of certiorari to review final judgements in post conviction relief cases is provided by rule 243, further review of decisions of the State Board of Canvassers in election cases shall be by petition for writ of certiorari under S.C. Code Ann. §§ 7-17-250 and 7-17-270.

(b) Who may Appeal,

1) Only a party aggrieved by an order, judgement, sentence or decision may Appeal!

IV. Argument

(a) Sixth Amendment Deprivation,

1) Appellant Argues that his Constitutional rights under the Sixth Amendment of the United States Constitution were completely infringed by the states prosecutor Warren Scott Anderson, and that he was not given nor afforded the right to a fair trial proceeding which is protected by the U.S. Const. Amend VI. Appellant argues that the states prosecutor deprived him of his "Free-standing due-process" rights. See Const. R. Crim. P. § 9.2 & § 9.4 "Pretrial Procedures. Appellant asserts that he was brought before a bond Judge on December 30th of 2020 and was deprived of his right to file "proper forms" to the clerks office of Williamsburg County General

Sessions Courts for a Preliminary Hearing for cases/warrant #'s 2020A45101000574 and 2020A45101000575, which were for two counts of Voluntary neglect of child. Also later on February 5th of 2021 Appellant states that he was afforded again the same privileges to file Profer Terms for a "Preliminary Hearing for Case/warrant # 2021A4510100045, which was for Homicide by child abuse, see exhibits A-1 and A-2 "Appellant's Filings & Copies of "Profer Terms" for Preliminary Hearings". Appellant further argues that he was not indicted by a Grand Jury thus probable cause had to be proven by a "preliminary hearing". Moreover had the appellant's case had been indicted by a Grand Jury he would have not been afforded the right to file for "preliminary hearings".

2) Appellant argues that after Filings for his "preliminary Hearings, with the Clerks office of Williamsburg County General Sessions Courts, he never received any correspondence from the courts, nor a scheduled date for the hearing of his preliminary hearings. Appellant asserts that he complied with all rules of the Courts concerning the 10 day limitation rule, which is the amount of days an accused has in order to be granted a preliminary hearing.

(b) Fourteenth Amendment Interpretation

1) Appellant argues that he remained incarcerated for 2 years and was never brought before a "preliminary Hearing" within Williamsburg County Magistrate Courts, but was later brought before a trial hearing without notice by the Courts Clerks Office. Appellant argues that he was not allowed to appear before the Magistrates Courts for a "preliminary Hearing" so that he could confront his accuser and cross examine the States expert witnesses. See *U.S. v. Gagnon* (1985); The Constitutional right to presence is rooted to a large extent in the "Confrontation Clause" of the Sixth Amendment e.g. *Illinois v. Allen*, 397 U.S. 337, 90 S.Ct. 1057, 25 L.Ed. 2d 353 (1970), but it has also been recognized that this right is protected by "due process clause" in some situations where the defendant is not actually confronting witnesses or evidence against him. *Snyder v. Massachusetts*, 291 U.S. 97, 54 S.Ct. 330, 78 L.Ed. 374 (1934), the Courts explained that a defendant has a "Due Process" right to be present at a proceeding "whenever" his presence has a relation, reasonably, substantially, to the fairness of his opportunity to defend against the charge. [T]he presence of a defendant is a condition of "due process"

to the extent that a fair and just hearing would be thwarted by his absence and to that extent only." *Id.* at 105-106, 108, 54 S. Ct. at 332, 333; see also *Faretta v. California*, 422 U.S. 806, 819, n. 15, 95 S. Ct. 2525, 2523, n. 15, 45 L. Ed. 2d. 502 (1975). The Court also cautioned in *Snyder* that the exclusion of a defendant from a trial proceeding should be considered in light of the whole record, 291 U.S. at 115, 54 S. Ct at 335. Appellant promulgates that his Sixth and Fourteenth Amendment rights were completely ignored, and violated, therefore he was not allowed to exercise his Sixth nor Fourteenth Amendment rights, which ensures his fair trial hearing rights, which are to be protected by his Fourteenth Amendment "rights under 'Due process clause & 'Equal Protection clause', as well 'Confrontation clause.'" And due to these facts alone proves that the Appellant had no right to a fair trial proceeding.

(C) Judicial Presudice.

1. Appellant asserts that he was not allowed the to have a trial hearing heard before an impartial Judge. See *Elkins v. U.S.* (1960). Appellant argues that he advised the presiding Judge over his case hearing to know that he was not allowed to attend a preliminary hearing "inter alia" that charges for homicide by child abuse were not filed within the ("N.C.I.C.") data base. See title 28 U.S.C. § 534. Charges not correctly filed within the "National Criminal Information Center" data base constitute as invalid, and will bar further prosecution. Appellant argues that the presiding Judge did concede that he had no knowledge of the charges not being properly filed within the ("N.C.I.C."), but allowed the state to proceed with prosecution of the case.

(D) Conflict of Interest.

1.) Appellant argues that the state prosecutor Warren S. Anderson had a pecuniary interest in seeing to it that the defendant was prosecuted, convicted and subsequently after imprisoned, "the matter" of Farness was completely out of the question, due to the facts that the Appellant had an ongoing civil action pending against the Williamsburg County Solicitors office, Head Solicitor Ernst A. Finney III and Assistant Solicitor Warren S. Anderson in "The Superior" and The Supreme Courts of the District of Columbia for fraud upon the courts. Civil actions were brought to the "Superior Courts of the District of Columbia's Clerks Office by the "Administrative Office of the United States Courts, and hence the hearing for the case were to be heard on February 5th of 2021 which is the same day the Appellant was charged for homicide by child abuse. Appellant states that under D.C. Code passed March 3, 1901 (C. 854, 31 Stat. 1189) § 21 and § 84

gives the "Superior Courts of The District of Columbia" nearly power to exercise the same powers and Jurisdiction as all Circuit Courts and District Courts within the United States. See Bobby Joe Patton Jr. v. Williamsburg County Third Judicial Circuit Solicitors Office et al; 2020CA0032548. Appellant states that his mailed correspondence to the Courts clerks office of the Superior Courts were obstructed by County Officers of Williamsburg County Detention Center, therefore he was unable to continue handling his Civil actions after being incarcerated. Due to these Federal offenses under title 18 U.S.C § 1702, obstruction of Jus. Mail the Respondent Solicitor Warren Scott Anderson had a pecuniary interest in ensuring that by all means necessary that the Appellant's Criminal proceeding lead to a conviction when in fact he should have recuse himself from handling the Appellant's Criminal Case. Moreover that the Appellant's case should have been Forward to another venue but that he was using the Williamsburg Third Judicial Circuit Solicitors Office et al, Head Solicitor Ernest A. O'NEAL and Respondent Assistant Solicitor Warren Scott Anderson as party defendants. Appellant argues that he went further and filed Complaint on Respondent Warren Scott Anderson's behalf to the "Administrative Office of the United States Courts to be Forward to the South Carolina Supreme Court & Sarginary Counsel's Office, but that Respondent Solicitor Warren Scott Anderson failed to properly Forward his Case to the South Carolina Attorney General's Office of Attorney General "Alan Wilson", Inter alia for lack of prosecuting after an inexcusable delay of 2 years. See Case State v. Bobby Joe Patton Jr 2018AH510100291 (August 20th 2019); Case which was Forward to the Attorney General's Office and handled within Williamsburg Court General Sessions Courts.

(E) Prosecutorial Misconduct.

1) Appellant argues that Solicitor Warren S. Anderson failed to Forward his Criminal Case to the South Carolina Attorney General's Office as he stated in Courts of Williamsburg County Magistrate Courts before presiding Judge William Driggers on March 10th 2020, "Conceding to the Courts on record that the State "Lacked Jurisdiction" over the Appellant's Criminal Case and that it was to be properly Forward to the Attorney General's Office to be handled by the Attorney General's Office. Appellant argues that he brought these facts up before the Courts on Motion for Dismissal of his case at his trial hearing and it was stated that this was indeed facts, but the Courts proceeded further finding Jurisdiction over Appellant's Criminal Case.

2) Appellant Argues that Respondent Solicitor Warren Scott Anderson failed to prove all elements of Homocide by Child Abuse. See In re Winship (1970); Neither did he ensure that the Charges were accurately Filed within the ("N.C. I.C.") data base. "Inter alia" he failed to correct the perjured statements of his witnesses who stated that he pushed the victim down the stairs, but after video footage was played before the Courts that both Male & Female Child Victims Concurred in interview with D.S.S. Case workers that their deceased sibling actually died after falling down the stairs. It was also brought to the Courts attention by the Female Child Victim that she was never touched or abused by the Appellant.

As a prosecutor Respondent Warren Scott Anderson from the responsibilities imposed by the more specific guarantees is subject to criminal cases to due process requirements pertaining to his role as the representative of the state ("ultimate interest" in a criminal case is not that he shall win a case but that Justice shall be done, *Burger v. U.S.*, 295 U.S. 78 (1985); see also *Giglio v. U.S.*, 405 U.S. 150 (1972). Deliberate deception of a Court and Jurors by presentation of known false evidence or perjured testimony of witnesses is compatible with rudimentary demands of Justice.

(9) Fraud upon the Courts.

1) Fraud upon the Courts is fraud which is directed to the Courts "Judicial Machinery" itself and not fraud between parties or fraudulent documents, false statements or perjury; it is thus fraud where "Court" or member is corrupted or influence or influence is attempted or where a Judge has not performed his Judicial Functions so that the impartial functions of the Court have been directly corrupted. *Bullock v. United States* 763 F.2d 1115 (1985).

2) Appellant argues that Respondent Warren Scott Anderson as a state prosecutor in his Criminal case failed to show sufficient grounds as a matter of law the Courts "Newly" found Jurisdiction over his Criminal case and the reasons why his Criminal case was not forward to the Attorney General's office.

3) Appellant argues that Respondent Warren Scott Anderson failed to prove as a matter of law with supported evidence or facts for the Courts findings of "probable cause" to bind his Criminal case over for trial, failing to honor the Appellant's request for a preliminary hearing. See S.C.R. Crim.P. rule 2 (a) Notice of right; also see S.C.R. Crim.P. rule 2 (e) Delays, affirming that any delay in the holding of a preliminary hearing shall not be grounds for a delay in the prosecution of the General Sessions Courts.

4) Appellant argues that he was not indicted and that Respondent Warren Scott Anderson had hearings in Court, which he was not allowed to be present, and appear before the Courts, and that the hearing was for the "Amending of the Appellant's Indictment" from original date of May 13th 2021 to December 29th 2020. Appellant argues that a state prosecutor cannot amend an indictment, which has to be rendered by a grand Jury initially. Though there is no Federal Constitutional right to grand Jury by means of indictments returned by a grand Jury, that fact does not relieve those states that do employ grand Juries from complying with commands of the Fourteenth Amendment in operations of those grand Juries. See *Goodrich v. Hall* (2008); also see S.C. Code of Laws 17-19-10. Indictments are found by grand Juries not defendants or by "Courts". See *Ex parte Bain*, 221 U.S. 1, 9, 73, 17781, 301 L.Ed. 849 (1988) Being the finding upon Oath the Court cannot "Amend" [The Indictment] under command of the grand Jury by whom bill is found. *U.S. v. Miller* 471 U.S. 130, 138-44 105 3. Ct 1811. 85 99 (1985).

5.) Appellant further argues that the Presiding Judge failed to perform his Judicial Function as the arbitrator over his trial hearing. Appellant states that he made known to the Presiding Judge of his Criminal Charges not being recorded within the ("N.C.D.C.") data base, neither within the ("S.L.E.D.") data base of "Honorables by Child Abuse". See Appellant's ("N.C.D.C.") back ground report also ("S.L.E.D.") back ground check report. Appellant asserts that the presiding Judge stated that he had no knowledge of the facts stated to him, but still acted with "deliberate indifference", and "reckless disregard", making eye contact with the Respondent Warren Scott Anderson allowing him to proceed further with prosecuting the Appellant's Trial hearing. Appellant argues that he brought up facts that he was not allowed to appear before the Magistrate Courts for a preliminary hearing. See Appellant's Exhibits A-1 and A-2; Appellant states that Respondent Solicitor Warren Scott Anderson argued that he had been indicted. See Exhibits B-1 and B-2. Appellant argues that he was not indicted by a petit grand Jury if he was given the proper documents to file for a preliminary hearing by a Magistrate Judge at his bond hearing. Moreover that it was stated by Respondent Solicitor Warren Scott Anderson that he himself scheduled a hearing a "even" before the Appellant's trial hearing to ignore the Appellant's Indictment date. These were corrupt schemes plotted and committed by Respondent Anderson because of the Appellant's Grievs to the Administrative office of the United States Courts and South Carolina Supreme Court discriminatory Counsel. See Appellant's Exhibits C-1 and C-2. Appellant argues that Presiding Judge and Respondent Anderson in his corrupt schemes and failed to perform his Judicial Function.

V. Conclusion

Wherefore with facts presented and undisputable evidence of the Respondents, Judicial Prejudice, and erroneous Judicial procedures, and deliberate deprivations of the Appellant's constitutional rights the Appellant prays for his appeal to be granted and his Sentence repeated due to facts proven as a matter of law.

Dear Mr. Fulton:

This office has received your complaint involving Warren Scott Anderson, Esquire. The authority of this office and the jurisdiction of the Commission on Lawyer Conduct concerning complaints against lawyers are limited to issues of whether a lawyer has committed misconduct or is incapacitated within the guidelines of the Rules for Lawyer Disciplinary Enforcement (RLDE), Rule 413, SCACR, adopted by the Supreme Court of South Carolina.

These rules do not apply to matters related to whether or not the outcome of a case handled by a lawyer was fair. We do not have authority to intervene in any matter presently pending before a court or to change the outcome of the decision of a court. These are legal matters that must be addressed by you to the court or raised by you on appeal using appropriate appellate procedures.

Head Solicitor Erast A. Finley III;
and Asst Solicitor Warren S. Anderson

Respondents

1. Statement of case

Complainant Bobby Joe Feltner Jr asserts that on December 31st 2020 he was arrested by Williamsburg County officials of the Williamsburg County Sheriff's Department and taken to the Williamsburg County Detention Center Subsequently after. On January 1st 2021 Complainant asserts that he was taken before a bench Court hearing and was denied bond for alleged offenses by presiding bench Court Judge and was given notice of his initial appearance Court hearing also given proper forms to file for a preliminary which was to be scheduled within 10 business days after filing by the County Clerks office. Complainant asserts that he filled proper forms for a preliminary hearing which he mailed to the Clerks office of Williamsburg County, but never received any correspondence from the clerks office concerning the scheduling and date of his preliminary hearing. Complainant states that he wrote both Assistant Solicitor Warren S. Anderson and Head solicitor Erast A. Finley III concerning the scheduling and date of his preliminary hearing but never received any correspondence from either ("Respondents"). Complainant states that a year and five months have elapsed and he has yet to be brought before the Williamsburg County Court for any trial related proceedings. See "Free-standing due process" §5.4. Pretrial Procedure. See also *U.S. v. Gagnon* (); Complainant asserts that under the 6th amendment he has a right to appear to all "critical" trial related proceedings and confront the accuser of his criminal case. Complainant further states that the solicitors have yet to furnish him a copy of his manner of Discovery or any other exculpatory evidence within his case. "Prima Facie" See *Brady v. Md.*, 373 U.S. 83 (1963).

Exhibit
C - 2

II. Argument

- (1.) Complainant argues that under R.L.D.E. rule 7(a)(2) of Rule 413 S.C. & C.R. a lawyer cannot receive the oath of office taking upon admission to practice law in the State of South Carolina.
- (2.) Complainant Farmer argues that both Respondent Solicitors have sworn under Oath to practice law in the State of South Carolina. Respondents also act "under the color of law", and have sworn under Oath of office upon taking admission to practice law in the State of South Carolina, and that includes being sworn under Oath of office taking upon admission to practice law in the State of South Carolina. Hereby and enforcing State and Federal laws and the Constitutional Laws of the United States of America. As Prosecutors, "respondents" apart from the responsibilities imposed by the more specific Constitutional guarantees, are subject in criminal cases to the process requirements relating to its role as the representative of the state "whose interest in a criminal prosecution is not that it shall win a case but that Justice shall be done. *Burger v. U.S.*, 295 U.S. 78 (1935), see also *Giglio v. U.S.*, 405 U.S. 150 (1972).
- (3.) Complainant argues that Respondent Solicitor Warren S. Anderson was given knowledge of the great delay of his State Criminal Case by letters forwarded through U.S. Postal Services to his office address. See Title 18 U.S.C. 1702. Also that "Respondent Superior" Respondent Solicitor Ernest A. Harty III was also given notice of the same by forwarded letters from the Complainant to his office address. And due to the fact that both Respondents had ample time to uphold their Oaths of office and received the errors stated, they would not be a Complainant of lack of "Prosecution on their behalfs, neither for "Prosecutorial Misconduct" or For Fraud upon the Courts. *Bullock v. U.S.*, 985 F. 2d 1115 (1985); "Fraud upon the Courts" is fraud which is directed to the "Judicial Machinery" itself, and not fraud between parties or Quaintest documents, False statements or Person, it is thus fraud where "Court" or "member" is corrupted, influence or influence is attempted or where a Judge has not performed his Judicial Functions so that the important Functions of the Court have been directly corrupted. See Title 18 U.S.C. § 241 "Willful Corruption", also see Title 18 U.S.C. § 242 "Willful Derivations".

(3) Respondent Solicitor Assistant Solicitor Warren S. Anderson Failed to inform his Court of ethics when he was given knowledge of the Comptroller's Criminal Case being delayed for such a long period of time, moreover that he Failed to Furnish the Comptroller a copy of his Motion of discovery and other exculpatory material such as the (M.C.I.C.), "National Criminal Information Center data base report, which he could have avoided on facts that the Comptroller's Criminal Charges were not filed within the system. See title 28 S.C. § 534. "Respondent Solicitor" Solicitor Ernest A. Finney III Failed to correct the errors of his assistant solicitor, ensuring that he abide by the Constitution and State and Federal laws also to rules of the R.L.D.E. See *In re Myers*, 355 S.C., 1584 S.E. 2d 357 (S.C. (2003)).

Stating that Attorney disciplinary matter Panel of the Commission on Lawyer Conduct recommended that respondent receive a Public Reprimand for violating rule 5.1 of the rules of professional conduct rule 407 S.C.A.C.R. Finding that he Failed to ensure that his deputy Solicitor adhere to the rules herein. Both Respondents acted with deliberate indifference and reckless disregard. Respondents are both Court members of the Courts and are clearly unfit to practice law in this State. See R.L.D.E rule 7(a)(5) of rule 413 S.C.A.C.R.

Conclusion

11. Wherefore Comptroller Prays for the Supreme Court disciplinary Council Commission find in favor the R.L.D.E. rules under rule 5 of 413 S.C.A.C.R. To prevent further deprivation of his Pre-seniority-retiree-Process rights under § 5.4. And also to prevent Respondents from infringing other Person's rights just as they have done to him.

Certificate of Counsel

Here Comes the Prose Petitioner "Mr. Bobby Joe Fulton Sr. Ali".

See exhibit (C-1) Petitioner's Court order of Name Change; Petitioner certifies that the Petition for rehearing was made and finally ruled on by the Court of Appeals on April 12th, 2023. See Appendix (D-1), Petitioner's Court order of the dismissal of his Petition of rehearing. Petitioner files this reply brief in response to Respondent's Petition of response pursuant to S.C. R. App. P. rule 242 (9).

Questions to be Presented

1. Did the Court of Appeals err in its discretion by dismissing the Petitioner's Appeal, on grounds that the Petitioner failed to provide a copy of the Order or Judgement being challenged on Appeal, or Proof of Service that a copy of the notice of Appeal was filed with the County clerk of Courts office.
2. Did the Petitioner file a notice of Appeal, and Proof of Service of Notice of Appeal, along with a copy of the Order or Judgement being challenged on appeal
3. Did the Court of Appeals ever receive the Order or Judgement being challenged on Appeal from the Petitioner or County clerks office.
4. If the Petitioner's notice of Appeal was in compliance with rule 203 (d) S.C. R. App. P., why did the Court of Appeals accept the Petitioner's notice of Appeal. See Appendix (B-1), Petitioner's Court Order from the Court of Appeals. See also Appendix (A-1) in Comparison.

I. Statement of Case

On December 29th 2023 Prose Petitioner "Mr. Bobby Joe Fulton Sr. Ali" brought forth his action of Appeal, before the South Carolina Court of Appeals, seeking for grant of Appeal of his State Criminal Case Order and Judgement of "Live within the South Carolina Department of Corrections, due to deprivations of his Constitutional rights under U.S. Const. Amendment 6 rights of fair trial hearings and procedures. Petitioner made arguments of Willful Corruption and Willful deprivations against the Prosecutor of his State Criminal proceedings; Also claims of Conflict of Interest. "Inter alia" petitioner argued that the State Prosecutor failed to prove all elements of the Crime charged, moreover that the Criminal charges were false and not filed properly within the National Criminal Information Center data base. See title 28 U.S.C. § 534 (N.C.I.C.) data base Center; Neither were charges filed properly in the South Carolina law enforcement Data base Center. Petitioner states that the Court of Appeals dismissed his initial Appeal on February 2nd 2023 for failing to provide a copy of Proof of Service along with his notice of appeal or the Order and Judgement in which he was challenging on Appeal; with the clerks office of the Court of Appeals in compliance with rule 203 of the South Carolina rules of Appellate procedures. Petitioner filed for a rehearing with declaration affirming that he did in fact file and submitted "Proof of Service" of his notice of appeal along with his notice of appeal to the County clerks of Williamsburg County also asking that they attached the Order and Judgement that was rendered by Presiding Judge Seal on December 7th 2022 of Life Sentence within the South Carolina Department of Corrections which he was never given due to the fact that he was immediately transported to the Kirkland R & E Center, Petitioner also asked in request to be sent a copy of the Order & Judgement in which the clerks office of Williamsburg County attached to his notice of appeal and Proof of Service - but never received any copy nor correspondence concerning the Order and Judgement of his State Criminal Case Trial hearing. Petitioner states that the clerks office of Williamsburg forwarded his "Proof of Service and Notice of Appeal" to the South Carolina Appellate Courts which was granted on December 29th of 2022. On April 12th of 2023 the Court of Appeals Ordered for the dismissal of the Petitioner's rehearing stating the same, as for the reasons for the dismissal for the Petitioner's initial appeal.

II. Argument

1. Petitioner argues that the Court of Appeals dismissed his initial appeal for failing to file the "proof of service" with his notice of appeal or the Order or Judgment which he was challenging on appeal. Petitioner asserts that due to the fact that he was sentenced to life within the South Carolina Department of Corrections, even though he preceeded prose, he was transported directly to the Kirkland R&E Center after being sentenced, and was never given the Order and Judgment that was rendered by Presiding Judge of his trial hearing, by the clerk of Court office of Williamsburg County. Neither was the Order and Judgment mailed to him. Because of these reasons alone the petitioner was denied of his Constitutional rights under the 2nd and 14th amendments, rights to fair trial procedure, due process and equal protection rights. "Inter alia" the petitioner was denied the right to a law library and the right to access the courts at the Kirkland R&E Center and was later transported to the McCormick Correctional Institution. Petitioner argues that all legal mail correspondence from the South Carolina Appellate Courts were deliberately held/obstructed from him until the day that he was transported to McCormick Correctional Institution. See the 18 U.S.C. § 1702 "obstruction of U.S. Mail". Petitioner argues that he is a "pro se" petitioner and should be held to less stringent standards than that of a lawyer. See *Conley v. Gibson*, 355 U.S. 41, 45-46, 48 S. Ct. 99, 102, 2 L. Ed. 2d 80 (1957); See *Diguard v. Dunning*, 139 F.2d 774 (1944); Also Petitioner argues that he has the right to access of the Courts. See *Bounds v. Smith*, 430 U.S. 812, 97 S. Ct. 149 (1977); Also see *Lewis v. Casey*, 518 U.S. 343, 116 Ct. 2174 (1996).
2. Petitioner argues that he filed for a Petition of rehearing, and filed a declaration affirming that he wrote the Williamsburg County clerks office requesting for the Order and Judgment, and a copy of the same which they attached to the "proof of service" and notice of appeal he filed and submitted to them, which they themselves forwarded to the South Carolina Court of Appeals clerks office which they did accept. Petitioner argues that he never receive any response at all from the clerks office of Williamsburg County concerning the Court Order and Judgment in which he was challenging on appeal within the Appellate Courts. Petitioner argues that it is the duty of the clerks of state courts to ensure that Orders of the Courts are filed and mailed to all parties concerning cases which they are implicated. See S.C. Code of Laws Ann. § 17-27-40. "Inter alia" a clerk of court may not reject pleadings for lack of conformity with requirements of form on any grounds, only a Judge may do that. Petitioner argues that he filed a notice of appeal to the Court of Appeals and it was denied. See Exhibits/Appendix (A-1). Petitioner further argues that he contemporaneously filed and submitted "proof of service" and a notice of appeal with the clerks office of Williamsburg County which they attached Order and Judgment of the Courts which he was challenging and forwarded to the Court of Appeals, which they accepted. See Appendix (B-1). Petitioner frantically made he made great efforts to reach out to the clerks office of Williamsburg County and the South Carolina Appellate Courts pleading for their invocations and espouse in endeavors to retrieve the Judgment Order and Judgment of the Courts, but received no response from either Courts clerk office. Petitioner argues that he has rights under the 14th amendment under due process clause and equal protection clause to access of the courts, to correspond with the Courts and to receive correspondence from the Courts and to be furnished copies of documents and Orders from the Courts, including transcripts of hearings of the Courts without cost for indigent individuals. See *Mayor v. City of Chicago*, 404 U.S. 189, 92 S. Ct. 410 (1971).
3. Petitioner argues that the Court of Appeals dismissed his Petition for rehearing for not filing copies of his "proof of service" for his notice of appeal, also for not filing copies of the Judgment and Order of which he was challenging on appeal. See Exhibits (B-1); Court Order from Appellate Courts to correct small errors, to have all parties who were to be served Petitioner's Petition documented on "proof of service" and properly served. See *Bulloch v. United States*, 743 F.2d 1115 (1985), "fraud upon the Courts", fraud upon the Courts is fraud which is directed to the Courts judicial machinery itself and is not fraud or member is corrupted or influence, or influence is attempted or where Judge has not performed his judicial function so that the Courts impartial functions have been directly corrupted. Petitioner argues that the clerks office of Williamsburg County and South Carolina Appellate Courts have committed fraud upon the Courts, due to facts that they forwarded the Order and Judgment to each other which was attached to the Petitioner's notice of appeal, yet failed to furnish the Petitioner a copy of the Order and Judgment which was needed to be filed with the Petitioner's initial brief, when he wrote both Courts requesting for a copy of the Order. See title 18 U.S.C. §§ 241 & 242 Willful deprivation of Willful Corruption. It seems to be unanimous that the clerks office of both Courts may have never had a Judgment and Order of Life Sentence rendered from the Courts of General Sessions of Williamsburg County. "fringe fact": See Petitioner's Exhibit (D-1) which is the defendants D.S.S. Background check showing that he has no offenses against children or any type of child neglect "Sua Sponte".

III. Conclusion

Wherefore petitioner again prays for this honorable Court of South Carolina to honor and grant his petition for writ of Certiorari writ and reverse the decision of the Court of Appeals due to the unfair methods and prejudice judicial process and procedures implemented by the Court of Appeals and Willmading County's clerks office.

The South Carolina Court of Appeals

The State, Respondent,

v.

Bobby Joe Fulton, Jr., Appellant.

Appellate Case No. 2022-001806

ORDER

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

On February 2, 2023, this Court dismissed Appellant's appeal because Appellant failed to provide a copy of the order/judgment(s) challenged on appeal, provide proof of service of the notice of appeal, and provide proof that a copy of the notice of appeal was filed with the county clerk of court. Subsequently, Appellant filed a petition for rehearing. The petition is denied because Appellant has not provided a copy of the order/judgment(s) challenged on appeal, provided proof of service of the notice of appeal, or provided proof that a copy of the notice of appeal was filed with the county clerk of court. See Rule 203, SCACR; *Mears v. Mears*, 287 S.C. 168, 169, 337 S.E.2d 206, 207 (1985) ("Service of notice of intent to appeal is a jurisdictional requirement, and this Court has no authority to extend or expand the time in which the notice of intent to appeal must be served."). The remittitur will be sent as provided by Rule 221(b), SCACR.
