APPEAL FROM THE ADMINISTRATIVE LAW COURT
The Honorable Ralph King Anderson, III
Administrative Law Court Judge

23-ALJ-30-0163-AP

Appellate Case No. 2023-001047

Charleston Advancement Academy High SchoolAppellant,

v.

South Carolina Public Charter School District.....Respondent.

RESPONDENT’S OPPOSITION TO MOTION FOR EXTENSION

Respondent South Carolina Public Charter School District (“District”) submits its opposition to Appellants Motion for Extension of the deadline to respond to *Respondent’s Motion to Lift Temporary Stay* filed August 4, 2023. Appellant did not consult respondent prior to filing the motion.

Appellant initially sought the temporary stay on June 30 as an Emergency Motion, and its timely determination is of significant importance to the well being of students, families and taxpayers. In the order granting the temporary stay, this Court also ordered briefing on the appealability of the case. The Parties submitted briefing on the appealability on July 10, 2023. The

Parties are awaiting a ruling of the Court on whether the interlocutory order of the Administrative Law Court denying Appellant's request for a stay is appealable.

The only grounds cited by Appellant is that Appellant's counsel has been "tied up drafting the brief in the appeal in the Administrative Law Court." *See Exhibit A*, Order to Expedite Hearing, South Carolina Administrative Law Court, No. 23-ALJ-30-0163-AP (August 7, 2023). However, five lawyers from four different law firms have appeared for Appellant in the Administrative Law Court and in this Court. Appellant already has missed or ignored court deadlines in this matter. *See Exhibit B*, ALC Order. Appellant's next school term is scheduled to begin on August 23, 2023. *See Exhibit C*, School Calendar.

Appellant's efforts to delay the Court addressing the merits of the stay are both transparent and cynical. Students that might attend Appellant's public charter school should not have to begin school on August 23 with a temporary order in place, without this Court deciding whether the interlocutory order is appealable in the first instance and, if it is, whether the requirements for a stay are met under the South Carolina Public Charter Schools Act of 1996, S.C. Code Ann. § 59-40-10 to -240.

Therefore, the motion for extension should be denied or, in the alternative, reduced such that the response is due by Tuesday, August 15. In addition, to the extent a hearing on these motions is required, Respondent requests that the hearing be scheduled on an expedited basis and the Court issue a ruling as soon as possible for the benefit of students and families.

This matter comes before the Administrative Law Court (Court or ALC) on a Motion to Expediate (Motion) filed by the South Carolina Public Charter School District Board of Trustees (Respondent) on July 31, 2023. Charleston Advancement Academy High School (CAA or Appellant) consents to the Motion.

Appellant filed this appeal on June 2, 2023 after Respondent revoked its charter, effective June 30, 2023. The Notice of Assignment was filed on June 7, 2023. The Record on Appeal was filed on July 21, 2023. In the Motion, the parties request that the Court schedule a hearing on the appeal at the earliest convenience and establish an expediated briefing schedule suitable for that hearing date because they believe it is in the best interest of students, parents and employees for a decision to be reached as soon as possible. The Court typically does not find oral argument is necessary in appellate cases before the ALC. *See* SCALC Rules Rule 39 (“[i]n the discretion of the administrative law judge, oral argument may not be required.” Nevertheless, given the extensive record in this case, oral argument **may** be necessary.¹ Therefore,

¹ Following the filing of the Motion, the Court emailed the parties inquiring about the timeframes the parties suggested for an expedited schedule. However, each party submitted its own proposal for the deadlines. Specifically, the District requested the deadlines be August 9, 2023 for the Appellant’s Brief, August 16, 2023 for the Respondent’s Brief, August 18, 2023 for the reply brief and the hearing be held prior to August 23, 2023. Appellant, however, requested the deadlines be August 15, 2023 for the Appellant’s Brief, August 22, 2023 for the Respondent’s Brief, August 29, 2023 for the reply brief and the hearing be held prior to September 15, 2023. The Court is aware that CAA’s next academic year begins on August 23, 2023. However, the Court needs sufficient time to review the record, consider both parties’ arguments and issue a well-reasoned order on the merits. In addition, the South Carolina Court of Appeals issued an order which allows CAA to remain open during the pendency of this appeal.

IT IS ORDERED that the Motion is **GRANTED**.

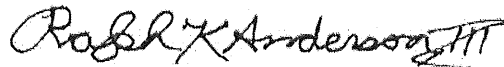

IT IS FURTHER ORDERED that Appellant shall file its brief by August 11, 2023

IT IS FURTHER ORDERED that Respondent shall file its brief by August 31, 2023.

IT IS FURTHER ORDERED that Appellant shall have until September 5, 2023 to file its reply brief.

IT IS FURTHER ORDERED that oral argument on the merits of the appeal will be held on September 13, 2023 at 10:00 a.m.²

AND IT IS SO ORDERED.

Docket No. 23-ALJ-30-0027-IJ

**ORDER TO ENFORCE
AGREEMENT AND ORDERS**

This matter is before the Court on a Motion to Enforce Order and For Sanctions (Motion) filed by the South Carolina Public Charter School District's (District) on July 10, 2023. This is another effort by the District to seek Charleston Advancement Academy High School's (CAA) compliance with an agreement reached by the parties on April 24, 2023 and resulting orders of this Court. The matter originally came before the Court pursuant to a Petition for Injunctive Relief and Appointment of a Receiver (Petition) filed by the South Carolina Public Charter School District (District) on January 24, 2023, against Charleston Advancement Academy High School (CAA). Thereafter, on April 20, 2023, the District filed an Amended Petition for Injunctive Relief, Appointment of Receiver, and Writ of Mandamus (Amended Petition). The Petition and Amended Petition sought to address the District's concerns that certain funds and assets in CAA's possession would be mishandled while the District went through the process of revoking CAA's charter. An Agreement and Orders were entered by the Court in response to the Verified Petition filed by the District.

PROCEDURAL HISTORY

The District filed a Petition seeking injunctive relief, appointment of a receiver, and writ of mandamus against CAA on January 24, 2023. A hearing was held on April 24, 2023. During the hearing, the parties conferred and reached an agreement on resolution of the Petition. The Court directed the parties to prepare an Order documenting the agreement. Initially, the parties were unable to finalize an agreement as to the terms of the Order, and the District filed a Motion to Enforce the Agreement. Following a hearing on May 5, 2023, this Court entered an Order on May 9, 2023 (Injunction Order) memorializing the terms of the amended agreement between the

parties in which the parties agreed to the District's Petition for Injunction and CAA also agreed to review and respond to any proposed closure protocol sent by the District within 48 hours. Furthermore, the Injunction Order required CAA's counsel to return \$600,000.00 of the \$1,000,000.00 they received from CAA after the District filed this action.¹

However, CAA had failed to fully comply with the May 9, 2023 Injunction Order because it had not complied with the closure protocol. As a result, on May 25, 2023, the District filed a second motion to enforce the agreement made on the record before this Court and pursuant to the Court's Order. While the motion was pending, CAA's Closure Protocol team and the District's Closure Protocol team met virtually on June 7, 2023. The District staff compiled a list of tasks for CAA to complete during the month of June in the event the school was required to close on June 30, 2023. CAA did not object to performing any of the revocation and closure protocol process tasks requested by the District. Therefore, by Order dated June 12, 2023 (Second Injunction Order), the Court granted the District's Second Motion to Enforce the Agreement subject to the following terms:

1. CAA is ordered to complete the tasks described in Exhibit A.
2. CAA is ordered to provide the District direct access to all student records through CAA student information systems, including but not limited to PowerSchool and Edgenuity; and
3. CAA is ordered to allow the District access to CAA campuses for purposes of monitoring student welfare, conducting equipment inventory, and inspecting on-site student and financial records.

Then, on July 10, 2023, the District filed this third Motion to Enforce Order and for Sanctions (Motion), seeking to enforce this Court's June 12, 2023 Order and extend or reissue the terms of this Court's Order dated May 9, 2023. The Motion was supported by an affidavit by District Deputy Superintendent John R. Payne (Payne) including a list of the information CAA had failed to provide. A hearing was held on July 19, 2023 at the ALC. CAA did not submit any memoranda or affidavit in opposition to the District's Motion but instead filed a Motion to Strike and Dismiss Contested Case under Rule 11 and for Sanctions (Motion to Strike) on July 17, 2023, which the Court will address in a separate order.

Importantly, the Second Injunction Order included Exhibit A; a list of "Priority Tasks" for CAA to complete on or before June 30, 2023, which CAA agreed to comply with. The Priority

¹ The Court made no findings regarding whether any transfer from CAA to the IOLTA account of its attorneys was appropriate.

Tasks were based on the statutorily required closure protocol required by the South Carolina Charter School Act of 1996, section 59-40-110(K) of the South Carolina Code (2020). The Priority Tasks set forth in Exhibit A and adopted by this Court's previous Order required CAA to comply with following specific tasks associated with Closure Protocol:

DISCUSSION

The only evidence submitted in the record regarding the District’s present Motion as to CAA’s compliance with the parties’ prior agreement and this Court’s prior Orders is the affidavit by District Deputy Superintendent John R. Payne filed July 10, 2023. CAA did not refute the facts in the Payne affidavit. Rather, it submitted for the first time in this case that the Petition for Injunction was not properly before the Court. Specifically, CAA filed a Motion to Strike contending the Petition for Injunction should be dismissed because the District Board of Trustees did not take a vote in public session to authorize the filing of the Petition. Nevertheless, as addressed in a separate order, CAA previously consented to the Injunction Order, participated in hearings, and filed extensive legal briefing without raising this issue and as such has waived any such objection to this matter proceeding.

Furthermore, CAA argued that compliance with the Orders was no longer necessary because the school is operating at this time. Yet, CAA’s appeal on the merits of the charter revocation remains pending,² just as it was when CAA originally agreed and consented to the Injunction Order and just as it was when the Second Injunction Order was issued. Nonetheless,

² On May 12, 2023, CAA filed a Notice of Appeal in 23-ALJ-30-0163-AP contesting the revocation of its charter, along with a Motion for an Expedited Hearing for a Stay. CAA then filed a Motion for a Stay and Petition and Memorandum of Law in Support of Its Motion for a Stay on June 15, 2023. Prior to the hearing on CAA’s motion, CAA filed an Amended Motion for a Temporary and/or Preliminary Injunction and/or a Stay and Memorandum of Law in Support of its Motion. This Court held a hearing on CAA’s motion on June 21, 2023. On June 29, 2023, this Court issued an Order denying CAA’s motion. CAA filed an interlocutory appeal of this Court’s Order the same day with the South Carolina Court of Appeals, along with an Emergency Motion for a Temporary Restraining Order, Preliminary Injunction, and/or Stay. On June 30, 2023, the Court of Appeals issued an Order granting a temporary stay and ordering the parties to provide memoranda addressing the issue of appealability within ten days.

CAA argued that because the Court of Appeals' Order granted a temporary stay of the revocation, the closure protocol issued under the revocation statute should not be enforced as of June 30, 2023. However, this Court's Injunctive Orders and the District's present motion that have been filed in this case were initiated prior to CAA's administrative appeal to the ALC. The Orders were entered to ensure CAA's compliance with closure protocol prior to the school's potential closing. Indeed, compliance with the Orders is necessary to fulfill the purpose of the Charter Act to "ensure a smooth and orderly closure and transition for students and parents," should that be the outcome of the pending revocation proceedings. *See* S.C. Code Ann. § 59-40-110(K). Additionally, the plain language of the Charter Act makes clear the need for the closure protocol to be in place "prior to" the closure, and the nature of the tasks included in the protocol require that the protocol be started before the closure actually occurs. In fact, it would be short sighted to revoke a school's charter and close its doors without some initial planning on the part of the district.

Notably, CAA did not contest the implementation of the protocol prior to actual closure in April when CAA agreed to participate in the protocol and when it consented to the Injunction Order. Moreover, the revocation proceedings remain pending—CAA may still be required to close, depending on the outcome of its appeal, and thus the Orders requiring compliance with the closure protocol remain both important and legally necessary to protect students and taxpayers. Thus, the Court does not interpret the Court of Appeals' June 30 Order as foreclosing the institution of the closure protocol.

Counsel for CAA also represented to the Court that had they been made aware of the deficiencies sooner and in more detail, this proceeding likely could have been avoided. However, the District's Motion and Payne's supporting affidavit filed with the Court outlines with specificity the requirements CAA has failed to fulfill. The Motion and affidavit point out at least four Priority Tasks which CAA made no apparent attempt to comply with as required by the Second Injunction Order. Moreover, counsel for the District contacted CAA's counsel on July 5, 2023, five days prior to filing the motion, to confer regarding CAA's lack of compliance. CAA's counsel objected to compliance entirely and did not ask for clarification or any more detail regarding what was needed to comply with the remaining Priority Tasks.³ CAA also made no attempt to comply between receiving the affidavit on July 10 and the hearing on July 19. Indeed, the record before this Court

³ The July 5, 2023 correspondence was filed with the Court as Petitioner's Notice of Filing and submitted at hearing without objection.

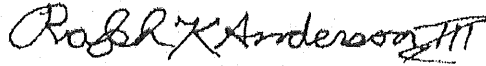

is devoid of any evidence that CAA attempted to seek clarification or comply with the Court's Order between the time CAA's counsel received the email conferring about the potential motion on July 5 and the hearing on July 19, 2023.

Therefore, the Court finds that CAA has violated the Orders of May 9, 2023 and June 12, 2023, and hereby **GRANTS** the District's Motion to Enforce Order and For Sanctions and **ORDERS** as follows:

1. CAA is ordered to provide a complete response to all of the information requested in the District's Motion by August 4, 2023. This includes all responsive information related to CAA operations in June and July 2023, including but not limited to all documentation related to any diplomas, transcripts or other student records of CAA students that may no longer be enrolled. Further, CAA must provide documentation from CAA's banks that no CAA bank account may be accessed through mobile banking by its board chair or anyone else at the school.
2. CAA is ordered to supplement its responses to all Priority Tasks in the Second Injunction Order by providing a complete response to all the information requested by the 1st day of every month in an electronic folder specified and maintained by the District until this matter is dismissed by the Court.
3. CAA is ordered to provide the District direct, unrestricted and unlimited access to Edgenuity. For the avoidance of doubt, CAA may not prevent the District from accessing any Edgenuity records, reports or functions that is available to CAA; and
4. CAA is ordered to allow the District access to CAA campuses for purposes of monitoring student welfare, conducting equipment inventory, and inspecting on-site student and financial records. The District is not required to visit the campus pursuant to this Order.
5. If CAA fails to provide any item required by this Order on or before August 4 or the first of any succeeding month, the District must notify CAA and its counsel of record in this case by email on record in the AIS system of the deficiency with specificity and allow CAA three (3) business days from receipt of the email to correct the deficiency. If CAA fails to correct the deficiency within three days, the District or its counsel may submit an Affidavit to the Court identifying CAA's failure to correct the deficiency and CAA and its counsel of record may be deemed in contempt of court, which is punishable by imprisonment, a fine, or both.
6. Counsel for CAA is ordered to provide a copy of this Order to all CAA certified educators and all CAA board members on or before August 4, 2023. Counsel for CAA must provide an affidavit to the Court verifying it has complied with this requirement by August 7, 2023.
7. This Court's Order dated May 9, 2023 is hereby extended and reissued until proceedings involving the merits of CAA's appeal of the revocation have been concluded, including all appeals from any order issued by this Court on the merits of the appeal. If CAA has taken any action after June 30, 2023 that would result in noncompliance with the May 9 Order, it must take any action necessary to correct the noncompliance by August 4, 2023. CAA, its counsel, its board members, and/or

its administration may be sanctioned and/or held in contempt if CAA is not in compliance with the May 9, 2023 Order as of August 4, 2023. Penalties for contempt may include imprisonment, a fine, or both.

AND IT IS SO ORDERED.
