Re: Trina Dawkins v. Fundamental Clinical  
Appellate Case No. 2021-000707

Dear Counsel:

The Court may consider this case during the December 2023 term of court. If this case is selected for oral argument, the Court will hold arguments on December 4, 5, 6, or 7. If you have a scheduling conflict with any of these dates, please advise the Court of the specific nature of that conflict by August 28, 2023.

Please note that although it is possible the Court may consider this case during the term described above, this is the first time the case has appeared on the preliminary list for argument and it will likely not be considered until another term in the near future.

Very truly yours,
